

WINTER MEET SELLER'S REGISTRATION

January 27, 2018

Costick Center, 28600 West 11 Mile Road
Farmington Hills, MI

MARC encourages all sellers for all of its swap meets to register in advance. Your registration must be **mailed** by Monday, January 22nd, 2018. Make all checks payable to MARC.

We are again offering booths and end tables. A booth consists of two tables, one is against the wall and the other is along the aisle. The seller occupies the space between the tables. The wall-side table is used to hold valuable items. This way the seller can limit customer access to these items. There is an extra charge for a booth. End tables offer the seller wrap-around access his/her wares. You can request an end table if you reserve two or more tables, but end tables are best used if reserving an odd number of tables. There is no extra charge for end tables.

Please print and complete the registration form below. Send it with payment enclosed to:

Comments:

Note: There are a limited number of booths available. They will be sold on a first-come, first-serve basis. If there are no booths available, you will be assigned two tables for each booth unless you specify something different. You will get a refund based on the difference of the number of booths you paid for and the number of tables assigned when you check in.
